

DULMISON SKI CLUB EARN-IN MEMBERSHIP PROGRAM

Membership of is now available through an earn-in program for payment of the entrance fee.

Earn-In Membership Program

Under the Earn-In Membership Program, a Temporary Member can 'earn-in' to Single Membership of the Club through a combination of lodge bookings and a final payment.

The payment components comprise:

- Lodge bookings: payments for individual Lodge stays at the Temporary Member adult rate for the Earn-in Temporary Member. Winter and Summer Lodge stays are eligible Lodge bookings.
- Final payment: equal to the difference between \$12,000 and the sum of the Lodge bookings payments (excluding GST), with a minimum final payment of \$3,000. The final payment can be made at any time, provided that the final payment and Club Membership application is made within eight years of registration for the Program.

The payments required to become a member therefore total approximately \$12,000 (excluding GST), but can be made over several years. Up to 75% of the eligible payments can be through staying at the Club.

Note that in the event of any capital return from the Club, only the final payment would be an eligible contribution to the Club's capital.

How to Participate

Temporary Members wishing to participate in the Program should lodge an application for registration as a Program participant.

On registration, Lodge booking payments made in the same calendar year as registration shall be eligible earn-in payments.

Subsequent Lodge booking payments must be identified on the Lodge booking form as earn-in payments at the time of payment.

To maintain registration, a participant must stay at a Lodge at least once over a rolling two year period.

Participants in the Program have the same status as other Temporary Members during the earn-in period, including booking priority. Club membership is attained through application at the completion of the earn-in payments.
