Remember: If you are unwell, STAY HOME.

- Your booking is conditional on the Club receiving a completed and satisfactory Health Declaration from you. If you do not provide a satisfactory Health Declaration you will be refused entry to the Lodge.
- A Health Declaration is required from each guest. For children under 18, the Form is to be signed by the Parent or Guardian.
- Send your completed and signed Health Declarations to the Booking Officer in the two days before the start day of the booking. For example, if your booking starts on 12 July, the completed Declaration must be sent on 10 or 11 July. Email address is bookings@dulmisonskiclub.com.au. [Scans or photos of completed forms and electronic completions are all acceptable.](#)
- If you answer “Yes” to a declaration, you will not be able to stay at a Lodge until your circumstances change or are clarified and **the Club has approved your stay in writing.**
- If an answer of “No” should change to “Yes” by the start date of the booking YOU MUST SUBMIT an updated form immediately and not arrive at the Lodge until your circumstances change or are clarified and **the Club has approved your stay in writing.**
- If you are already at the Lodge and become unwell, you must notify the Lodge Manager immediately and seek medical advice.
